

## Information on Article 33 of the REACH Regulation Concerning Positec Products

According to Article 33 of Regulation (EU) No. 1907/2006 (REACH) companies placing a product on the market are subject to certain obligations to inform if a product contains one or more the REACH substances of very high concern (SVHCs) in a concentration of more than 0.1 percent by weight. Substances confirmed as being of very high concern have been included in the REACH candidate list by the European Chemicals Agency (ECHA).

We comply with this obligation to inform in relation to the following products:

| Model | Component /assembly  | Substance on the candidate | ES number | CAS number |
|-------|--|----------------------------|-----------|------------|
| ALL   | 1. Components made of copper alloys such as the carbon brush bracket, the copper ring slide in the motor, the pin of power plug, the copper insert/copper nut/copper shaft sleeve/ Copper coupler.<br>2. Electric components such as diode, triode, MOS , rectifier and chip resister. | Lead                       | 231-100-4 | 7439-92-1  |

Positec is always continuously collecting information from our suppliers.
